### Environmental Policy Statement

SHEEN ZAR AGRICULTURE TRADING COMPANY

At SHEEN ZAR AGRICULTURE TRADING COMPANY, we are committed to conducting our business in an environmentally responsible manner. We recognize the importance of protecting the environment and minimizing the impact of our operations on the ecosystem. As such, we have adopted the following environmental policy:

- 1. Compliance with Environmental Laws and Regulations**  
We pledge to comply with all applicable environmental laws, regulations, and standards in the countries where we operate. We will stay informed about changes in environmental legislation and adapt our practices accordingly.
- 2. Sustainable Agriculture Practices**  
We promote and implement sustainable agriculture practices that conserve natural resources, protect biodiversity, and minimize the use of harmful chemicals. We encourage our suppliers and partners to adopt environmentally friendly farming methods.
- 3. Efficient Resource Management**  
We strive to optimize our use of natural resources, such as water and energy, by implementing efficient technologies and practices. We aim to reduce waste generation and promote recycling and reuse wherever possible.
- 4. Reduction of Greenhouse Gas Emissions**  
We are committed to reducing our greenhouse gas emissions by adopting energy-efficient practices, using renewable energy sources when feasible, and optimizing our transportation and logistics operations to minimize our carbon footprint.
- 5. Environmental Awareness and Training**  
We provide environmental awareness training to our employees to foster a culture of environmental stewardship. We encourage our staff to actively participate in environmental initiatives and share ideas for continuous improvement.
- 6. Stakeholder Engagement**  
We engage with our stakeholders, including customers, suppliers, and local communities, to promote environmental awareness and collaborate on initiatives that contribute to a healthier planet.
- 7. Continuous Improvement**  
We regularly monitor and assess our environmental performance, setting targets for improvement and implementing corrective actions when necessary. We are committed to continuously enhancing our environmental management system to achieve better results.
