## SHEEN ZAR AGRICULTURE TRADING Co<sup>®</sup>

*Happy Agriculture, Happy Life*

### Commitment to Sustainability Policy

#### Purpose

This policy aims to define **Sheen Zar Agriculture Trading Company's** commitment to operating economically, socially, and environmentally sustainable.

#### Scope

This policy applies to all of **Sheen Zar Agriculture Trading Company's** operations, activities, products, and services. It also applies to interactions and engagements with suppliers, partners, and other stakeholders.

#### Policy Statement

**Sheen Zar Agriculture Trading Company** is committed to:

- Integrating sustainability principles and practices into all aspects of our business.
- Conducting our operations and service delivery ethically, transparently, and accountable.
- Complying with applicable legal and regulatory requirements related to sustainability.
- Minimizing any negative environmental impacts and conserving natural resources through efficient use of materials, energy and water.
- Supporting and engaging with the communities in which we operate.
- Providing a safe, healthy and inclusive work environment for our employees.
- Promoting a culture of sustainability awareness and responsibility among our employees.
- Collaborating with suppliers, contractors and partners to improve the sustainability of our supply chain.
- Incorporating sustainability considerations into product design, development and sourcing where feasible.
- Setting measurable sustainability objectives and targets, and reporting on our performance and progress.
- Continually improving our sustainability performance through learning, innovation and stakeholder engagement.

Implementation
